

SPECIAL CARE COUNSELLING

3 YEARS - TECHNICAL - OFFERED IN ENGLISH OR FRENCH

ABOUT THE PROGRAM

Special Care Counselling is a three-year pre-university or workforce preparation DEC program. It allows the student to acquire the skills necessary to exercise the profession of a special care counselor or a specialized educator. Or, the student may advance to university studies in a related field.

Graduates of this program will be qualified to work with people who have different problems that cause maladjustment to social inclusion or people with physical and/or psychological disabilities, behavior problems, or disorders linked to mental and health-related disorders.

UNIVERSITY STUDY OPTIONS

- Physiotherapy
- Speech Therapy
- Kinesiology and Clinical Exercise Physiology
- Special Education Technology

CAREER OPTIONS

- Specialized Educator
- In-home Caregiver
- And more!

WHY STUDY THIS PROGRAM?

You will have developed qualities and abilities that will make you a significant person for people who are themselves in difficulty in their personal and social environment.

- All of the teachers in this program actively work in the special education field.
- TAV offers an in-depth intervention approach for people with language difficulties.

WHY CHOOSE TAV?

Helped by dynamic teachers who are committed and active in the special education field, you will learn to share the experiences of people in difficulty and to intervene while developing caregiving skills for this customer base.
