# FIND YOUR NEW VOICE

**On-Campus Locations.  
Excellent Language Education.  
Active & Fun.**

Learning a second language is the first step in expanding your horizons, discovering a new culture, and experiencing life beyond what you could imagine. With Languages Across Borders (LAB), you have the option to study English and French in Canada. Receive quality education while exploring the beautiful cities of Montréal and Vancouver or both!

# LANGUAGES

No matter what your language level is, LAB always has the right course for you. English is available in both our Montréal and Vancouver locations. French courses are offered at our Montréal school. Other languages such as Spanish, Chinese and German are offered per campus.

## A CANADIAN EXPERIENCE

**EMMANUEL** FROM MEXICO

I arrived in Montréal 6 months ago, and I found it to be a wonderful and multicultural city rich in history. I decided to study French at one of the best schools and I chose LAB. I am really happy with my choice!

*\*Translated from French*

With standardized course levels and quality teaching, why not study English in Vancouver and French in Montréal?

Imagine attending the Montréal Jazz Festival, and skiing at Grouse Mountain overlooking Vancouver while studying at LAB... that could be you! Our staff can arrange multi-destination study adventures just for you.

# PATHWAYS

The language skills you develop through LAB courses open up doors to further post-secondary education opportunities. We offer unique language pathways into our sister-colleges, LaSalle College | Montréal and LaSalle College Vancouver. Improve your English and French fluency and prepare yourself for a college credential in Canada or one of LCI's other destinations!

## 2ND

### largest country

Canada is the second largest country in the world with its vast territory and varied landscape from region to region. Although geographically large, Canada is only the 38th most populated in the world and most Canadians live on the southern fringes of the country.

### ICE HOCKEY

Ice hockey is only one of Canada's national sports. The other national sport is lacrosse.

### MAPLE LEAF

The maple leaf is the biggest Canadian symbol and Canada produces 80% of the world's maple syrup.

### MULTICULTURAL

Canada celebrates its diverse background. From the West coast to the East coast, many ethnic backgrounds are represented.

LAB students also have opportunities to transfer to other LCI campuses such as LCI Barcelona. Contact us for more information!

**RACHEL** FROM KOREA

LAB has been my home away from home for 5 months. Not only offering great English classes helped me improve my English skills, LAB also has caring and loving teachers and staff to the students make it even more special.

**MICAELA** FROM ITALY 

I had such a great time at LAB! Great teachers, patient, professional and able to make learning a new language a fun and smooth experience. I would totally recommend enrolling here when trying to learn French or English in a short time. Thanks LAB!

# MONTRÉAL

Learn two languages in the city where history meets innovation

Being a city of festivals, ethnic diversity and European flair, students have noticed that streets are safe day and night and that the community cares about the environment.

LAB Montréal is located in the heart of art and culture where students are exposed to fresh perspectives and engage in cultural exchanges daily. From access to public transport to a wide selection of housing and an abundance of restaurants, many students find it easy to adapt to the Montréal lifestyle.

**ZHAORAN** FROM CHINA 

This school provides a good learning environment. It has an excellent faculty and a large number of students. I have made extensive academic achievements here.
